To Whom It May Concern:

This letter serves as official notice of approval that **Dr Abdul Haq** is registered with, and has permission from, Cancer Council NSW to raise funds for Australia's Biggest Morning Tea 2009. Approval for this event extends from 30/03/2009 to 29/5/09, at which time this letter must be returned, to Cancer Council NSW.

It further serves to commend Dr Haq and the Families of the Bangladesh Community for their dedication over the past 10 years to Australia's Biggest Morning Tea and Cancer Council's mission - to defeat cancer. They have raised more than \$25,000 for Australia's Biggest Morning Tea over this time.

We are most grateful for the Families of the Bangladesh Community's on-going commitment and strongly encourage you to support this worthwhile event.

As you may know, Cancer Council receives no government funding so we rely on community-minded people such as yourself for support. By participating in Australia's Biggest Morning Tea this year, you'll be raising money that enables us to fund ground-breaking research and provide crucial services that benefit cancer patients across New South Wales.

If you have any questions about this event or the work we do, please don't hesitate to contact me on phone: **9334 1893** or our Events Hotline on 1300 65 65 85.

Yours sincerely
