

The Institution of Engineers, Bangladesh (IEB) Australia Chapter.

Registration No: INC1800732 - LN

Date: 21 August 2018

Dear all Bangladesh Engineers,

The Institution of Engineers, Bangladesh (IEB) Australia Chapter has made a decision to form a new Ad-hoc Executive Committee (EC) for 2018-2019 based on constitution with the following preliminary objectives:

1. Work closely with Engineers Australia (EA), Board of Accreditation for Engineering Technical Education (BAETE) Bangladesh and IEB for achieving Washington Accord Signatory of IEB accredited engineering degrees;
2. Engage Bangladeshi engineers on the awareness of Professional Registration with EA (e.g. CPEng, NER), States Registration (e.g. RPEQ) and Continuing Professional Development (CPD);
3. Arrange short training with the engagement of key EA registered professional Bangladeshi Engineers and EA personnel to achieve objective no. 2;
4. Share senior Bangladeshi Engineers industry experience (including challenges faces, achievements etc.) to the newly migrated/existing engineers for better career path;
5. Organise CV/selection criteria writing workshops for new migrants and graduate engineers with the help of senior Bangladeshi Engineers and professional recruiters;
6. Bring all Bangladeshi Engineers under a common umbrella to fill the gap between industry and personal development;
7. Arrange symposium/conferences with the participation of researchers, academicians and industry professionals; and
8. Assist Bangladesh with active participation on relief when major disaster/calamities happen.
