Sub: IEB Australia Overseas Chapter's AGM and Election 2025

Dear Respected Engineers,

The Institute of Engineers, Bangladesh (IEB) Australia Overseas Chapter was formed in 2012 and then revitalized in 2018. Since then, the Chapter had been doing excellent work for the engineering community in Bangladesh and Australia with your wholehearted support. Some significant achievements for the Chapter are obtaining *Washington Accord Full Signatory status for Bangladesh* ([Signatories » International Engineering Alliance](#)), introducing IEB with Engineers Australia (EA) through Chartered Professional Engineering (CPEng) seminar in the presence of the CEO of EA and HE High Commissioner of Bangladesh, celebrating World Engineers' Day with distinguished stakeholders including former Washington Accord Chairman Emeritus Professor Elizabeth Taylor and many more.

The current executive committee (EC) of the IEB Australia Overseas Chapter was formed through elections in 2018 and 2022 respectively with representatives from major engineering universities of Bangladesh (i.e. BUET, KUET, RUET, CUET, IUT). The EC committee had a meeting on the 30th of April 2025, and anonymously decided to call for Annual General Meeting (AGM) and Election for new executive committee for two years (i.e. 2025-2027). You are cordially invited to attend in the AGM and election with the following details.

Details of the Program:

Date and time: 06 July 2025, Sunday, 10:00 to 2:00pm

Venue: Marsden Park Neighbourhood Centre, Marsden Park NSW 2765
