Sam SAHA – Young, Local and Committed

Dear Friends,

I am a young local and very passionate about our community. I like to acknowledge the contribution our community has made to the Holroyd area. I like to represent you and our community at the council. So I put my name down for the local council election on **8th Sep 2012** and want your help and support.

If you want me to represent you at the local council, please vote **1 Group A – Labor**.

Labor, with its commitment to inclusiveness, social justice, tolerance and respect for diversity, has shown how multiculturalism works for the benefit of all Australians.

If the Holroyd West Labor team is elected, we will continue to support the community and all worthwhile projects to help our citizens. Please consider your vote carefully – enclosed is a “How to Vote” for the Holroyd West Labor team.

Yours Sincerely

Sam **SAHA**
