

## **Monpura at Australia**

Monpura was the first Bangladeshi feature film shown at a proper Australian movie theatre by Tempestra Entertainment, which for us has been a historical event. The movie was shown at Hoyts Bankstown Movie theatre in Sydney from the 7<sup>th</sup> to 10<sup>th</sup> August and upcoming show at Melbourne on the 15<sup>th</sup> August. Also there will be two more shows in Westfield's Eastgardens Pagewood Sydney on Sunday the 16<sup>th</sup> due to the audiences demand.

So far all the shows from the 7<sup>th</sup> to 10<sup>th</sup> have all been sold out. The response from the Sydney Bangali community audience has been tremendous. The director of Monpura Mr Giasuddin Selim has been present at Australia for this historical event. He is very pleased to see the audience's response.

The movie has been so successful that the Bangali audience is already excited wait for the next movie to be released here in Australia.
