

17th Annual Krishibid Picnic at Sydney

Krishibid Community in Australia enjoyed their 17th Annual Picnic on last Sunday 02 October 2011 at the Sydney International Regatta Centre, Penrith. Wet weather could not stop the Bangladeshi Krishibids and their families of Greater Sydney and Canberra to join their annual event beside the beautiful lake of the Centre. The existing large covered picnic area was supplemented by the hired pop-up Marquees to provide shelter from on-and-off showers. Hot tea/coffee with singara was very popular at the wet, cool and windy condition. The participants enjoyed the picnic meal near the water front under sweet sunny break of the day. The crowd was busy catching up with Uni-friends and ex-colleagues.

Raffle draw was the main event of the day that drew great attention of all participants. Donation was collected for one Krishibid in Bangladesh who has been suffering with serious kidney problem. 17th edition of "Thikana 2011", the krishibid data-base magazine was distributed to all participant families. At the end, Coordinator Dr Maksudul Bari thanked all for their attendance despite the wet weather and the Zone Representatives for their help in organising the event.
