

Press Release

29 September 2020

Ekushe Academy Australia Inc. welcomes the public to an upcoming special event.

Saffron Day

22 October 2020

Location: Online

Saffron Day commemorates the life of 7 year old, Deyaan Udani, who after a tragic accident in 2016, became one of Australia's youngest organ and tissue donors. It was Deyaan's wish to become an organ and tissue donor.

Ekushe Academy Australia is partnering with Saffron Day to help raise awareness in our communities about the importance of organ and tissue donation. Both organisations share the same values of selfless love, sacrifice and legacy. Getting involved in Saffron Day 2020 is easy! Here's what to do:

Step 1: 'Do it for Deyaan' – register your decision to save lives as an organ and tissue donor at donatelife.gov.au

Step 2: Post your decision on social media on Thursday 22 October 2020 with the hashtags [#SaffronDay](https://twitter.com/SaffronDay) [#DoitforDeyaan](https://twitter.com/DoitforDeyaan)

Step 3: Encourage friends and family to do the same and wear orange on Saffron Day.
