## Blood Donation Appeal

Dear Friends,

The month of February is special to all of us!

You may know that for the last 16 years, Ekushe Academy has been organizing a Blood donation program in February. We all voluntarily donate blood to Australian Red cross Blood Service for a great cause.

Such a special little gift may save up to 3 lives!

Also it is a great opportunity to make others aware about Great Ekushey February (21st February, 1952 ) and The International Mother Language Day.

The gift of blood can only come from another human being ... there are no substitutes. Giving blood doesn't just benefit recipients. Regardless of who you are, donating blood offers many benefits for donors.

It also lets you :

- Develop a sense of commitment to and connection with your fellow Australians
- Make a difference in your community by helping others !

Please encourage others for this great donation program. We need to bring more new donors.

*Friends, to make this group donation more effective, we have to be more specific on date and time.*

- The new CBD donation centre is at the rear 483 George street, Sydney, NSW 2000. Town Hall Centre.
- Parramatta Blood donation centre is at 22 Oak St, Rosehill NSW 2142.

Please come forward and let us know you and your friends availability with donation date and time.

Your prompt response will help us lot to make this special program is a great success!

Please contact for appointments or inquiries:

0402301293 , 0421961860 , 0423367609 , 0433019377 , 0468313693 & 0403543366

Kind Regards,

Nehal Bari
