Dear All,

Could you please arrange some collection for our friend for his funeral cost and for note if it is more that will be given to his family - Mohammad Ashrafuz Zaman (Boby) who has been passed away on 3rd January 2013 (Thursday), Boby was Civil Engineer (BUET 91 - Civil Engineering, Science Collage 91 Batch, Monipur High School 89 Batch).
Natural death has been declared.

Boby has 2 and half years old boy; his wife is 8 months pregnant, Boby's Brother in Law's name RUMEL Bhai (0433452653 and 0488117440).

Boby is also my childhood friend since year 6, although we didn't go to same institution but used live same area in Dhaka.

He was doing Phd in Civil Engineering at University of Western Sydney, Penrith, he almost completed his project and he was one of top 5 PhD students as per his supervisor Dr Ataur Rahaman.

Any type of help would be appreciated.

I would like to request to everybody make doa for his departed soul.

Boby's body is now kept into freezer at NSW Forensic Department at Glebe until his parents arrived in Australia, Visa processing is organising by his brother in law.

I did have last conversation with him on 02 January 2013, Wednesday around 12.30pm but on next day I received his death message from his brother in law, which is very very sad for me as a close friend, this event would have very big impact on my life, I just want to say please make doa for him, for me as well and for all Muslims who has been passed away.

I have got permission from RUMEL Bhai and he has confirmed me that my account number can be used for money collection purpose; in that case it would be very responsible matter for me, May Allah give me an ability to use every cents of money for proper purpose.

Therefore, when you will deposit money please mention FOR BOBY'S FUNERAL AND FAMILY, then it would be easy to do identification purpose. May Allah give us ability to follow Islam in a proper way within our ability as much as possible.
