

Pintu Chakma

To,
Friends/donors/sponsors/well-wishers,

Dear friends/donors/sponsors/well-wishers,

At first, I would like to introduce myself to you that I am a Chakma indigenous people of the Chittagong Hill Tracts (CHTs) of Bangladesh.

I am writing this letter very reluctantly to you. I regret to inform you that, Pintu Chakma, (33), my younger brother who hails from Khagrachari, Bangladesh, has been suffering from Kidney ailment. He is currently under the treatment of Dr. Sarwar Iqbal of Birdem Hospital in the Dhaka city of Bangladesh. According to doctors his both kidneys have stopped functioning and he needs immediate transplant which will cost him around TK.10, 00,000/-

But it is not possible for us to arrange such a huge amount of money for his treatment.

Keeping the present circumstances in view, it has become necessary for me to ask you for some financial help.

I am sure our mutual helping hand/donation/contribution will bring Pintu Chakma's all the happiness.

You may send your contribution to: Inu Chakma, Saving No. 4795, Bangladesh Krishi Bank, Khagrachari Branch, Khagrachari-4400, Khagrachari Hill Tracts, Bangladesh.
