

Bangladeshi Student Shahed Hossain Passed Away

Mohammed Shahed Hossain (25), a Bangladeshi student, lost his battle with long illness and passed away last night (27 March 2006) at Liverpool Hospital, Innalillah.... .It is a sad end to a promising career and family life. May Allah rest his soul in peace and grant him the best Jannah. Our sympathy to his wife and little daughter, and wish that Allah will give them courage and strength to overcome this trauma and to lead a normal peaceful life.

Shahed was suffering from Meningitis and Tuberculosis in his brain, and was bedridden in Liverpool Hospital for the last several months. His only child, a month old daughter named **Tasnima**, was born while he was ill in the Hospital.

You may recall that a couple of months ago we made an appeal for financial assistance for Shahed's treatment/rehabilitation, and for his family through this website.

His body will be flown back to Bangladesh following the completion of all official formalities. His **Namaz-e-Zanaza** will be held at Lakemba Mosque late tomorrow, Wednesday 29 March 2006. Exact time of the prayer is not decided yet but likely to be after Maghrib prayer.

Please contact Br. Dr Monzur Imteaz for the prayer time, and if you would like to provide any financial assistance to the family, especially for Tasnima's future upbringing and education. An account will be opened soon for making such contributions. Contact details are: Dr Monzur Imteaz, Tel. 9750 6109 (H), 9806 5656 (W), Mob: 0425 340 736
