

Easter is coming...

-MAHEEMA HAQUE (11)

Holidays have gone
Easter's to come
Concerts have passed
(However, parties can last!)

**Malls are all closed
Summer's all over
But let us head to the fair
With Mr. Rover!**

Uplifted spirits
Soar to the sky
Eminently relieved
Moreover, undoubtedly satisfied!

Cards are exchanged
On them, they say...

Happy Easter!
