

# Eid

Maheema Haque (10)

*Joyous voices ring out  
Laughter erupts from houses  
Why all this sudden commotion?  
Of course, we know,  
It is Eid!*

*Let the children run free  
Let the rest of the world see,  
Our people smile and rejoice  
Gather around,  
And let us be profound!*

*For a month we have fasted  
Our endurance has lasted  
Allah we have remembered  
And our lifestyle we have surrendered  
To rejoice on this marvelous day*

*Indulging in our food  
Let us not moan and brood  
Instead, marvel and savour  
The spice, the sweetness, the flavour  
Of the marvelous day of Eid!*
