

# MY HOME

Home sweet home,  
A place where there's room.

Room for many  
Even for a simple gnome.

It isn't a mansion,  
Or a palace,  
It's small enough  
To fit heaps of passion.

It's a place,  
Where history, memories  
And a happy family lives  
And where it all comes in a simple pace.
