CFN – 16441 ESTD: 1998

Date: 4 March 2022

Reference: NSW and Queensland Flood Appeal

Dear respected Community leaders

New South Wales and Queensland are experiencing devastating floods. The damages are enormous.

Bangladesh Australia Disaster Relief Committee has launched an appeal to raise funds in support of the affected families. BADRC is humbly requesting your active engagement in this fund-raising initiative.

We want to maximise the outcomes of this appeal. We would be happy to discuss with you the effective ways of collecting donations. BADRC is planning to organise a Zoom meeting involving the participation of as many community leaders as possible. We would be very much appreciative of your suggestions, guidance, and support in this initiative.

A flyer is attached. Please circulate the message to your network.

Kind regards

Wali Islam

Afsar U Ahmed

President

General Secretary
