

The inaugural Executive Committee of RUAAA formed

The Australian chapter of the Rajshahi University Alumni Association (RUAAA Inc) has advanced one step farther in institutionalising itself by electing its inaugural Executive Committee (for 2011-13) in an AGM held on 25 September 2011 at the Glenfield Community Hall. The contact details of the RUAAA Executive Committee are available at <http://www.ruaaa.org/wordpress/executive-committee/> The AGM has been attended by over 100 members of the RUAAA community, and has launched the RUAAA Constitution (available at <http://www.ruaaa.org/wordpress/ruaaa-constitution/>).

The occasion marks a major milestone in the community calendar of the RU alumni members living in Australia, and indeed a celebration of the commitment and dedication of the RUAAA *ad hoc* Committee members who have worked diligently to turn a 'concept' into an RUAAA Inc reality.

The newly formed Executive Committee is very much looking forward to working with the broader community for the next couple of years.
