Dear Mr Kabir

Thank you for your wonderful support of The Children's Hospital at Westmead.

Your generous contribution to our Hospital will enable us to continue to provide the best possible care to sick children and their families. All of the sick children in our care have one thing in common – they all want to get better and they have so many hopes and aspirations for the future. With the help of people like you, we have made an investment into the future of these children.

Your support is vital in enabling the Hospital to continue to conduct vital research, purchase much needed equipment, discover better treatment options and care for children and their families in hospital.

We look forward to your continued support and once again, thank you.

Warm regards

Lisa Cheng
Fundraising Manager
