

Friendship

-Maheema Haque

Friends of mine I have never been away
They wander into my heart and I lock them in to stay
There are lots of friends I have but none too tight
But still I always win the fight

Although they think they're free to roam
I'm still keeping an eye on them
To make sure they're not eating dirty foam
And to make sure they're as sparkly as a gem

And when our lives do end
My friendship will still not bend
And my spirit will show the way
So they won't have to go astray
And finally I will say "good bye"
They'll tour heaven free with the sky
