

## **KIDS !**

**Running, jumping, leaping kids,  
Smart, learning, intelligent kids,  
Elegant, congratulated, praised kids,  
On thing in common, they're all kids!**

**No matter if you're sporty  
Or if you're always naughty,  
Who minds if you are smart  
Or if you are a sweet-tart?**

**You're loved by everyone around you,  
And that fact will always be true,  
Because to your parent's eye's,  
You are growing tall and wise**
