

SUMMER

Wahoo! Summer time is here
Time to buy my swimming gear
Time to go to the burning beach
Swimming is not so far in reach

Time to have an Aussie barbeque
I want some sausages dad, I want 2!
Oh no this is horrible the heat's burning up
I have to drink from a plastic cup

Finally it's time to go for a swim
I've been biting the cup up to its brim
I feel so cool and wet
Oh-oh watch out for the fishing net

Give me a
S-U-M-M-E-R-!
What does that spell?
SUMMER!
