*An Apple is a multi-coloured fruit,
This turns into red, yellow and green.
The shape of this is a heart that's, how it makes it so cute.*

*A Banana is a fruit that's yellow,
It's soft and rally squishy,
A Banana is a very tall fellow.*

*Grapes are a group of small balls,
It turns into purple, red or green.
If you take one grape out nearly all of them will fall.*

*An Orange is orange and very sweet,
It comes from trees like the Apple and Banana,
The Orange is a very juicy fruit that anybody can eat.*
