

This story is about me and my best friend Sabrina. This is a picture of us at my birthday party; I'm on the left side and Sabrina's on the right. This is a story of us as fairies which is sort of like a fairy tale. So this is how this story starts and it's written by Afrida Musarrat Mamun Prieta which is me.

## Fairy Friends

### Chapter 1 (walking up)

Once upon a time, in Fairyland lived two beautiful fairies. The two were best friend's named Afrida Musarrat Mamun Prieta and Sabrina Abdullah. Every morning they used to go to school and buy come fairy powder and come back home, to play.

One morning, Prieta woke up to go to school. She ate some Fairy Powder, and kissed her mum good-bye. Then when ever she left the house she always put the padlock and alarm on and her palace, "Keep yourself safe and keep my mum safe".

After all that, Prieta went to Sabrina's house, so they can go to school together. That morning Prieta walked down through the playground and to the big palace. She asked Mrs. Abdullah, is Sabrina ready? She said she won't be long.

After 10-15 minutes, Sabrina was ready to go. So then we were off, few steps to the right and there we were.

### Chapter 2 (At school)

At school Prieta and Sabrina went to their classes. Their classes name was "Fairy Blossoms 5F". Their school name was Fairy Blossoms, so that's why they had every class named Fairy Blossoms, and so on.

At 9:00am, the two friends went to their room, and sat down for their teacher. Their teacher was supposed to come at 9:05am, but she didn't come then. Suddenly the door knocked, Sabrina said, "who could that be?" I said "it can't be our teacher Miss Farah, because Miss Farah doesn't knock and another thing Miss Farah always wants to show her pink fairy wings, she said very worried. So then Sabrina said, "Then who could it be?" She said with confusion

After that she quietly tiptoe to the door. Then she opened the door then she sees.....Miss Farah! Prieta and the whole class were confused, because Miss Farah was knocking and she was not wearing her shiny wings. Prieta said, "It must be a mystery" She said very surprised.

### **Chapter 3 (The Playground)**

After school, Prieta and Sabrina were very upset about Miss Farah, because she looked quite sad and awkward. So all sadness kept them bored, so they decided to go to the playground to make them happier. Firstly, Sabrina wanted to go home and get fresh. So then the two went to Sabrina's house and got fresh. Then a few steps north and towards Sabrina's house.

A few minutes later, the two went to the playground and played for 10 minutes. Next Sabrina went to the pond where the "wishing Frogs" live. The pond was where the playground was, so that's why they went. Secondly, Sabrina said, "make a wish", she said with excitement. Prieta said, "you first". So then when Sabrina made a wish, suddenly Sabrina fell in the water.

### **Chapter 4 (Rescue)**

What do I do? What do I do? Prieta looked around for help, because Sabrina was drowning. Then Prieta saw a long stick beside the pond, and then Prieta asked Sabrina, "Hold this stick and try to float," she yelled. So then Sabrina grabbed hold of it, and she couldn't do it, because of her shiny wings.

After that Prieta ran as fast as she could. She ran all around Fairyland. She ran to the zoo, which was right across the playground. Still no help the zookeepers were busy with animals, and people in the zoo ran away because of the fairy mess. Then to the town Houses, School, Waterfall and the forest and she couldn't find anything.

The people at the town Houses weren't at home. The school and the Waterfall was the same. The forests the people were having a party. WHAT DO I DO!!!

### **Chapter 5 (GETTING HELP)**

Then after all that running, she came back to the pond, and she sees Sabrina with the wishing frogs. What Prieta saw was amazing; she saw the wishing frogs holding Sabrina up with their webbed feet. Prieta said to Sabrina, "are you ok" she yelled. Sabrina tried to yell back, "Yes a little bit".

Then she remembered something really good. Prieta ran back home and she opened the padlock and came inside her house, and ran to her mum. She told her, "Mum, do you still have that Fairy Magic book?" Her mum said, "Yes dear, I still have it but why do you need it?" she answered. "Um...I just need it to get Sabrina out of the pond", she said shaking. Then her mum said, "I'll go with you and I'll say the spell," she said. Then they ran and got the book, and locked the padlock, turned the alarm on and said to their palace, "keep yourself safe", and they ran.

Then Prietas' ' mum said the spell while Prieta ran to Sabrina's mum and say, "MRS ABDULLAH SABRINA'S IN DANGER!!!" Then the two, then ran as fast as they can and they got there. Prietas' mum just finished her spell and in 10-15 minutes it didn't work.

### **Chapter (SAFE)**

Prieta kept thinking Sabrina's' mum was talking to Sabrina, of how she's feeling. Then Prieta thought of the best thing ever, and she told her mum and Mrs. Abdullah, to move aside, and she did it. She made a wish and she Said, "Make my best friend go on land" and slowly Sabrina came up on land. Everybody especially Sabrina was most proud of Prieta.
