

PROBASY

Projonmo Bangladesh Sydney

(A charity organization for helping acid victims of Bangladesh)

PROBASY successfully raised Tk.5,38,000.00 in the last four years through qurbani and by selling food and drinks at various Bangladeshi functions in Australia. This fund has been donated to “**Prothom Alo Shahaoik Tohobil**” annually since 2002. Prothom Alo, being a popular and socially accountable newspaper in Bangladesh, is closely associated with solving the problems of acid victims and drug addicted people. Our donated fund is being used for **treatment and rehabilitation of the acid victims** through out Bangladesh. We are happy to know that the editor of Prothom Alo has been granted for the **Magsaisai Award** which is known as the Nobel of Asia for his work for acid victims and drug addicted people in Bangladesh. Out of this fund Tk.1,00,000.00 was also donated to 21 of the most poorest families in Dimla Upazilla of Nilfhamari district for various income generating projects.
