

**Opportunity to listen to
Nobel Laureate Professor Muhammad Yunus
over a formal dinner in Canberra**

**Organised by Bangladeshi Architects in Australia (BAA)
8 October 2014 at National Arboretum**

Bangladeshi Architects in Australia (BAA) is hosting a weeklong international conference ***Focusing People's Architecture*** in October in association with Australian Institute of Architects AIA NSW chapter in Sydney and Canberra.

It is my great pleasure to inform you that Nobel Laureate Professor Muhammad Yunus has accepted our invitation to deliver key note speeches at the conference. To launch the conference with Bangladeshi pride, a pre-conference dinner has been organised on **8 October 2014** at **National Arboretum in Canberra**. Professor Yunus will deliver a key note speech at the Dinner.

In response to huge interest from the Bangladeshi-Australian community to listen to professor Yunus, BAA Executive Committee decided to extend the dinner invitation to Bangladeshi-Australian community members. However, due to the nature of this event, places are very limited and only offered on a first come first serve basis. Each place will have a cost recovery payment of \$200 needed to be paid by the guest.

Please send your **full name** and **contacts** (phone and email) by COB Tuesday, 23 September 2014 to:
